### Oxford Handbook of Paediatrics

Designed to serve as a quick reference guide, the handbook is a must-have addition to every practice. Above all, we hope that the handbook will give you confidence to manage paediatric clinical problems effectively and safely. As clinicians, we first met and worked in the heart of East Anglia Cambridge University and have now collaborated with Oxford University Press in this venture, a new handbook of paediatrics.

### Handbook of Pediatric Physical Therapy

Each medical topic includes information on clinical features, diagnosis, and treatment. The practice of medicine is often as much an art as it is a science, and in areas where robust evidence does not exist, the opinions and recommendations of our experts at Texas Children's Hospital are included.
