## Saskatchewan Gen Web Region: Survey of the Western Part of the Dominion

In the case of Saskatchewan and Yukon Territory, some differences exist between the classification of reserve versus non-reserve communities as used by the 2001 Census and the 2001 Aboriginal Peoples Survey. La ciutat en si està situada en una zona de transició entre els biomes Aspen parkland i taiga. In this plan the need for relevant and current data was recognized under the umbrella of developing a new fiscal relationship.
