## **Archive Grid : Iḥyā’ ‘ulūm al-**

This book recreates the lives of the first Fabians in Australia, their political ideas and strategies, and presents their visions for society in a lively and entertaining way. His holding a respected position within the Church while espousing socialist beliefs and publishing the belowmentioned pamphlets indicated a significant shift towards political pluralism in the attitudes of the Church since the middle of the 19th century, when radicals such as and had incurred more negative consequences for their beliefs.
