Should I See It?: Toy Story 3

He says that he never should have invited her over that night and they need to enforce a strict no-dating policy until his divorce is finalized. It's as if all the writers sat around a room, identified the best lines of tonight's episode and then decided to give them all to Santana.

Emma reminds him of when she showed him the video of himself at Nationals and him saying that that was the best moment of his life because he loved what he was doing.

Should I See It?: Nanny McPhee and the Big Bang Review

Because of the stress, Emma's OCD affects her far more than usual and causes her to scrub a counter with an electric toothbrush.

Get Your First Look at Will and Emma in Glee Season 6

Shnookums — not sure where this come from but it sounds cute. Emma in her car crying while singing along to All By Myself Emma catches trying to throw up in the bathroom.

Get Your First Look at Will and Emma in Glee Season 6

Her cries eased into a whimper as they drifted further into their imaginary stratosphere, through the clouds, feeling the sway of the gentle breeze encompassing their bodies. Will doesn't seem very pleased by this news, but tells her it's okay. Later Emma is seen by Will arguing loudly with Figgins.
