THE WHITE HOUSE, January 20, 2021.

Intentional Communities

The study should aim to identify the best methods, consistent with applicable law, to assist agencies in assessing equity with respect to race, ethnicity, religion, income, geography, gender identity, sexual orientation, and disability. .

Home Page

This classification method relies on the assumption that people or households will share more similarities in the types and styles of their material goods with other members of a social community than they will with outsiders. By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered: Section 1. The Director of OMB shall report the findings of this study to the President.
