### God's Little Acre (1958)

He showed me his belly this morning. It's not the size that counts, anyway. Coffeecake ripens about the same time as Chocolate and about three weeks to one month earlier than Fuyu.

### God's Little Acre

Meanwhile the patriarch Ty Ty is digging hole after hole in the hope to find gold, even though there is no way that his land is either part of some old river or has any lode running through it. Or if they come, at what cost, and ultimately to what end? Additionally, there's a decent storyline about unfair labor practices in a mill. Exhorted by their patriarch Ty Ty, the Waldens ruin their land by digging it up in search of gold.

### God's Little Acre

There is a great chance these markers may be lost forever. But I have no control over it.

### Inspirational Stories at God's Little Acre

If you'd stay at home, we'd get somewhere.

### God's little acre (1934 edition)

For years, and he has been making his family, his extended family and his hired help do it, too, when they are not lustng after the well endowed and oversexed women on the farm, including Ty Ty's daughter and daughter-in-law. I don't know how to approach writing a proper review for this book.

### God's Little Acre: One of the oldest and largest African slave burial grounds in America

Lower chilling requirement than Boysen.
