A Short History of Renaissance and Reformation Europe: Dances Over Fire and Water by Jonathan W. Zophy

They sought to understand the ancient world, find answers and knowledge, and study ancient texts to achieve this. The movement first expanded to other Italian city-states, such as Venice, Milan, Bologna, Ferrara and Rome. Edited by link works Created by Imported from

Renaissance and Reformation

The prose-like writing, highly regarded by faculty and students alike, flows without frequent interruption by jargon or foreign terms. The Church's power rested on the authority of the Pope and the prelates, which was ultimately based on tradition.

The Renaissance, which took place during the early 1300s to 1600s, was a period of big changes in European society where advances in art and literature were made Esko. The Catholic Church's failure to reform and its attempts to suppress the Reformers meant that it drove many to establish their own churches.

A short history of renaissance and reformation Europe: dances over fire and water / Jonathan W. Zophy

His writing style is great too-- it's easy to read and comprehend, to-the-point, with the perfect amount of information for a quick overview and is interesting too. Translator of the New Testament into Greek.
