### Lunch

Wato, whom has gone missing as Sharaku tries to find her. The invention is still there, so is the confidence of design, although not perhaps the same portrait realism. However, when his bandage is removed, it reveals a bulging third eye, and Sharaku completely changes personalities.

### Sharaku Restaurant

The name Sharaku has Earth element. She asks if Mairu noticed Yahiro's hands at all. Adachi succeeded so brilliantly in reproducing the prints that they rival originals.

### Sharaku Japanese Restaurant

And if ever a Sharaku print is offered in the market, it is extremely expensive and usually not in the best condition.

### Sharaku Japanese Restaurant

What does the name Sharaku mean in other origin if you know then please suggest. Art critics and historians regard him as one of the greatest portrayal artists comparable to Rembrandt or Velasquez.

### Sharaku: The mystery man unmasked

They lack the sense of a real actor behind the pose. The curators believe that Toshusai Sharaku was a single figure who'd been a Noh actor, as described in the first written references to him a century and a half ago.
