### Twister

Players dance on small Twister mats to 40 different tunes. Two Crispy, Seasoned Ground Beef Tacos. However, due to changing seasons that massively transformed the look of Oklahoma's topography, filming was moved to.

### KSDZ

His father agreed, for a short term, to support his son's idea for product development, and hired Foley, who negotiated a royalty agreement with Guyer Company for all games and toy items designed by Foley. A Twister museum located in Wakita, where much of the particularly destructive scenes of the movie were shot, contains various memorabilia and artifacts related to the film.

### Twister

The game's objective remains the same, but the now slippery mat makes players far more liable to fall over and land face-first into the paint or cream
