## Campaign to protect Dorset's heathland

Duplicated by IUCN The World Conservation Union and The Commonwealth Science Council. Two schoolboys have today been arrested for the arson attack that devastated the sensitive heathland.

## Management and diversity of arthropods in Calluna heathland

SPD is to be delivered on the basis of Section 106 S106 of the Town and Country Planning Act 1990, which allows a local planning authority to enter into a legally-binding agreement or planning obligation with a landowner in association with the granting of planning permission.

## Wildfire warning after heatwave is forecast

There are several strands of to establish baseline data and to gauge success of work and projects. Experts said thousands of creatures would have been killed by the blaze. The geographical area of the SPD, the use of greenspace as an alternative to heathland for users and the tariff system were the themes that gathered the highest amount of comments.

## Wildfire warning after heatwave is forecast

In Proceedings of the 3rd European Congress of Entomology H. This study, which has extended over almost 20 years, provides an insight in to the problems of monitoring change in a biotope of high conservation status. The damage to local wildlife is also significant, often destroying ecosystems that have taken years to build up.

## Operation to protect Dorset's precious heathland

The heathland is a Site of Special Scientific Interest SSSI and home to all six species of reptile native to the UK; the sand lizard, smooth snake, adders, slow worms, grass snakes and common lizards. If you see a fire on heathland this summer, call 999 immediately to prevent further damage to our beautiful but fragile environment.

## Dorset heathland home to thousands of wild animals destroyed in fire

But the 70 hectare area of Dorset was tinderbox dry as much of it is on a hillside and water had run off down the slope. The advantage and purpose of converting the IPF to a SPD is that it brings it within the current planning system and it will become part of each of the participating local authorities Local Development Frameworks. I ask the public to remain vigilant and to report any suspicious behaviour especially in the prevailing hot and dry weather conditions.
