## Raising Millennials

When a person has a child, they start to think back to when they were a kid and all the lessons that their parents taught them. Grow up and step into the real world! Despite the difficulties millennials may present, this generation can be easy to reach if we make a few adjustments. I never expected him to be there.

## Millennial Parents Poll: How Gen X and Boomers Are Different

The proximate cause , and final nail in the coffin, was a pedophile priest. My older siblings were early boomers. When will we wake up? We cannot expect more from our children than we do from ourselves.

## Understanding & Engaging Today's Learners

Even if you are not religious the whole childbirth thing is a little miracle, watching my children grow I am amazed at the tiniest gestures that are genetic- the sense of rhythm just like my father , but shared by my daughter? Integrating popular literature with current and established research, Verhaagen a practicing psychologist presents a summary of the characteristics of this group of children; he uses classic research on parenting from the 1960s to identify characteristics of those best suited to parent this new group. My situation is more similar to a second generation emigrant.
