## William Curtis 1746

We stumble across a bookshop Leya that sells English language materials and we fortuitously find a copy of the lost travel guide. Above: IOS logo The Organization reached significant international status at the 3rd IOS Congress 1955 in London with the accession of 15 members from non-European countries. William Houstoun occasionally spelt Houston 1695 — 1733 was a Scottish surgeon and botanist who collected plants in the West Indies, Mexico and South America.

## William 1746 1799 Botanist Entomologist

Almeida Garrett ended his relationship with Luisa Midosi and divorced in 1835 to join 17-year-old Adelaide Deville Pastor in 1836.

## William 1746 1799 Botanist Entomologist

Houstoun initially sailed to the Madeira Islands to gather grape plantings before continuing his voyage across the Atlantic.

## William Curtis 1746

So what does Saffa mean? Above: The Rote Fabrik red factory Today the alternative heart of the Rote Fabrik still beats loudly by providing studio and performance space for artists thanks to public funding. Above: Catherine the Great 1729 — 1796 While there, he bought Black and White Tartarian cherries in 1796, thereafter introducing them for the first time to England. The site was chosen for its proximity to the river, which at the time was the most important transport route in London and allowed the Apothecaries to moor their barge and carry out botanising expeditions to surrounding areas.
