**Northrop Frye, Myth and Metaphor... book by Northrop Frye**

Translated by Carla Plevano Pezzini and Francesca Valente. Longinus does not speak directly about religion, although he does say that the true sublime uplifts the soul CW 7. Therefore, it is a starting point, not an end point.

But what does the intensity or expansion of consciousness entail for Frye? On Frye as a champion typist, see John Ayre, *Northrop Frye: A Biography* Toronto: Random, 1989 , 50—53. This chapter reflects on the lessons of the book and argues that future of research in IR requires being aware of the role of metaphors in creating concepts, interrogating these metaphors to determine their conceptual utility, acknowledging the empirical categories that are suggested by conceptual metaphors, deciding which categories correspond to observed facts, and collecting empirical data in ways that further a better understanding of world affairs so as not simply to reinforce existing metaphorical frames.
