An employee does not have to file a retaliation claim with the Labor Commissioner before filing an action in court. After 12 months, you can convert to an individual policy, possibly at a higher rate. The President can issue executive orders, which direct executive officers or clarify and further existing laws.

**Work Lawyers**

An employer may ask an applicant for his or her salary expectations for the position, as distinguished from asking what the applicant earned in the past. What are the key differences between the former Equal Pay Act and the Equal Pay Act, as amended? Either the calendar month or the pay period may be used to determine this; the choice should be made to the benefit of the employee. If the SSN is still not known after reviewing the W-9, ask the service-provider for the SSN.
