Le sauvetage des temples égyptiens d'Abou Simbel de Ramsès II

In spite of the law limiting the term of office to two years, union leadership did not change from 1964 to the early 1970s. Le 23 juin 1969, Gamal Abdel-Nasser déclara : « Je ne peux envahir le Sinaï, mais je peux casser le moral d' Israël par l'usure ». Veuillez le réduire et le renvoyer.

The development of capitalism in Egypt

Avertissement L'ISM a pour vocation la diffusion d'informations relatives aux événements du Proche Orient. Three-fourths of output and half of employment, including about four-fifths of employment in factories with over ten workers, was in public-sector firms.

L'Égypte nassérienne, phare du monde arabe au Institut Du Monde Arabe

At least 35 per cent of all industrial capital was, therefore, in firms with foreign participation.

L'IDEOLOGIE POLITICO

While capitalistic credit is used to expand capitalist production and is extended wherever high rates of profit are to be found, usurers' capital reinforces the non-capitalist system of production to which it is tied. Le socialisme est la voie qui mène à la liberté sociale.
