## Dodge County Minnesota Genealogy and History

He commanded the roll-of-honor company under Rosecrans' plan for that distinction; was division commissary and adjutant; fifteen months quartermaster, and served some time on the brigade staff under Cols. He is now for the third time engaged in the drug business on the same stand, his partnership with Captain Nelson dating as above stated, from July 15, 1881. This was probably the first convention of what is now the republican party.
