Institutions and organizations : ideas, interests and identities in SearchWorks catalog

Through our commitment to new products—whether digital journals or entirely new forms of communication—we have continued to look for the most efficient and effective means to serve our readership. Scott is an organizational sociologist who has concentrated his work on the study of professional organizations, including educational, engineering, medical, research, social welfare, and nonprofit advocacy organizations.

and Organizations: Ideas and by W. Richard Scott

Richard Scott Award for Distinguished Scholarship was created by the Organizations, Occupations, and Work Section of the American Sociological Association, to annually recognize an outstanding article-length contribution to the field. The state both compensates uncompetitive sectors and helps industries adjust to foreign competition that results from liberalization.

Ideas, Institutions, and American Trade Policy on JSTOR

I am satisfied to see some introduction of institutional work - new-institutionalism - arguments that nicely introduces the topic of agency.
