### **Southend**

Burnt section in 1983 In 1980, the council announced plans to close the pier. Cars 3, 5, 8 and 11 were fitted with replacement open topped bodies, and the original trucks were reconditioned. A Vision of Britain through time.

### **Southend Pier**

Cars 62 to 65 came from the system when that closed, and had been built by in 1921.

### **Southend Pier**

They were fully enclosed double deck trams, with 8 wheels, and again had to be regauged, as the Accrington system was 4 ft 1,219 mm gauge. Links To Other Sites Our Site may contain links to third-party sites that are not owned or controlled by Southend-on-Sea Borough Council. Whilst moored, a power-cut left the pier without power for two days.

### **Southend Pier**

New 8-wheeled cars, numbered 23 to 25 were ordered in 1909 from the of Preston, who had taken over Milnes, and six more 4-wheeled, open topped cars were built by Brush in 1910. The northern part of the eastern loop, from Southchurch to Thorpe Bay, closed on 6 July 1938, though in this case the trams were replaced by motorbuses, and trolleybuses took over on the seafront section from the Kursaal to Thorpe Bay on 3 June 1939. We are only able to offer finance products from these providers.
