### See the film— deconstructing the Beatles

Their influence on other musicians and on society itself was at an absolute peak. Just this last time, they resolved to make an effort.

### Paul McCartney Tour Announcements 2021 & 2022, Notifications, Dates, Concerts & Tickets

The Beatles, formerly called the Quarrymen or the Silver Beatles, byname Fab Four, British musical quartet and a global cynosure for the hopes and dreams of a generation that came of age in the 1960s. The lower boxes were farther from the field than similar seats in other parks because they were still on the rails that had swiveled them into position for football.

### The Beatles Concert Setlist at Candlestick Park, San Francisco on August 29, 1966

Every city eventually knocks down its unusable architecture, causing memories for anyone who ventured inside those buildings to fly out like demolition dust. It marked the end of a four-year period dominated by almost nonstop touring that included over 1,400 concert appearances internationally. People have been saying things about diminishing popularity, but all one can go by is attendances, which are absolutely huge.

### Remembering when The Beatles rocked Candlestick Park

This undiscipline drove British comedy stalwart Frankie Howerd to despair and his scene was cut. Watch it again as a bitter sweet last glimpses of youth and not the BS we've learned since.
