## 19th Century Social And Religious Reforms In India And Their Impacts

All educated Indians who formed the back bone of modern India one time or the other percolated through their schools, colleges and hospitals. For her lifelong self-less service for the weak and downtrodden she was awarded with the Nobel Peace Prize in 1979 and Bharat Ratan in 1980.

## Pioneering Social Reformer Jacob Riis Revealed The Other Half in America

Many of the inmates at such institutions are allowed to leave the grounds for work, and some participate in programs that allow them to leave the prison temporarily to ease the transition from imprisonment to release. He, therefore, advised all Indians and particularly the educationally backward Muslims to remain aloof from politics for some time to come. Utilities that remained in private hands invariably came under the jurisdiction of regulatory commissions that reviewed rates, mergers, and other business activities.

## Social Welfare History Project American Social Policy in the 1960's and 1970's

Debendranath Tagore : Debendranath Tagore, the father of Rabindranath Tagore, was responsible for revitalising the Brahmo Samaj.

## 19th Century Social And Religious Reforms In India And Their Impacts

Prison Reform: Reducing Recidivism by Strengthening the Federal Bureau of Prisons The Federal Bureau of Prisons is undertaking sweeping reforms designed to reduce recidivism and strengthen public safety. In fact they arose to recast the old religions into a new modern mould to suit the needs of new social groups of society.

## How Teachers Can Promote Social Change in the Classroom

Primarily, incarceration is regarded as a punishment for criminal offenders, taking away their liberty and their ability to control their own lives. Probation saved state governments a great deal of money while placing a financial burden on local governments. Various crime experts think that two-time offenders, when committing their third felony, may go to violent lengths to ensure that no witnesses to their crime survive.
