## The crisis of Venezuela's "Bolivarian" revolution and the political independence of the working class

In the process under-handed dealings, bribes, abuse of power and kickbacks have been rampant. That's 3 out every 20. And Now For the Meat  
 The first paragraph graves vulneraciones ... que se han documentado en el pais.

### Indigo

Among the ruling class there are some who have broken with the new authorities and others who support it. Though Hugo Chávez denounced hypocritical socialists and criticized those who bought luxury vehicles such as , he and his family acquired multiple vehicles during his presidency, including aircraft such as the and and automobiles like the and , as well as multiple Hummers and vehicles. .

### 勞雷亞諾·馬爾克斯

This very poor barrio has for 50 years symbolised a high degree of struggle and clashes with the forces of order. There are more conservative and more nationalist sections of the army, and those who are both things at once.

### 勞雷亞諾·馬爾克斯

### Chavez's Right Turn: State Realism versus International Solidarity

State spending as a percentage of GDP in Venezuela in 2007 was also markedly lower than in other capitalist economies such as France and Sweden.

### Indigo

Inspiration South of the Border. In 1992 the Venezuelan state unveiled extensive plans to entice investors to exploit coal reserves in Zulia for the purpose of exporting to Europe and North America. This is a barrier and hindrance to genuine working class power and struggles.
