Jerilynn Prior, more than 300 new references and an additional chapter on peri menopause. I put menstrual blood onto my neck, underarms, wrists and lips as if it were perfume; does this make my body abject? Littlehampton Book Services Ltd, 1978. The books were a great influence to my performance — I hope the cultural and psychosocial research was reflected in some way.

The Wise Wound: Menstruation and Everywoman by Penelope Shuttle

Perhaps it just seemed like I was making my body more and more abject throughout the performance. It is a widespread view, that it will shape her attitude toward life, and influence her future mental and physical health.

SCSS Article

Fears of all-embracing mother must be confronted so that women's authentic values can be released into the larger world.
