## IEM

Geotextiles and Geomembranes, 42, pp. Presented at TRB Conference, Washington DC, January 1991 paper 910336. A brilliant school that gave me skills that have never left me.

## Areas of Specialization

Peter Churchill 1961 — 1967 Mrs Fitzpatrick was deputy head under both Dr Hutton and Mr Slaney — certainly until I left.

## Our history

Progressing from sixth form college, or the equivalent in their country, into university can cause a lot of students to worry about how easy it is to adjust to their new course at university.

## The influence of route guidance advice on route choice in urban networks

Student ambassadors work at university Open days, where they help staff members by giving tours of the campus, accommodation, and subject facilities. Chemical admixtures are used to modify the properties and behaviour of fresh and hardened concrete.

## European Graduates

Hughes Chemistry; Mr Pidcock deputy HM and Tuck Shop runner Mr. I learnt 4 foreign languages at that school, one an extra O level in the sixth form. The School also operate an open access laboratory policy of when possible students doing experiments in their own time.

## Neil Dixon

The division between universities and polytechnics was known as the binary divide in UK higher education.

**University of Hertfordshire [WorldCat Identities]**

Swimming played a big part for me, and lunchtimes would see me often in the pool.
