Alphonse de Lamartine Biography

Though not strikingly innovative in form or technique, the poems develop an intense personal lyricism which animates the abstract language and the sometimes outworn images.

Alphonse de Lamartine Biography, Life, Interesting Facts

He brought out in the Presse 1849 a series of Confidences, and somewhat later a kind of autobiography, entitled Raphael.

Alphonse de Lamartine Biography

This was creditable to both parties, for Lamartine, both as a distinguished man of letters and as a past servant of the state, had every claim to the bounty of his country. In 1849 he incorporated his memories in Confidences.

Alphonse de Lamartine

The , represented by the right-wing parties, thought they had elected in Lamartine a clever manipulator who could the while military forces capable of establishing order, such as they conceived of it, were being reconstituted. A long poem divided into 15 visions, it presents the beginning of the epic myth immediately before the Flood, as Cédron commits suicide, throwing himself on the family funeral pyre.
