Weekends and holiday shipping times will vary. Variants There are many different versions of Pyramid Solitaire.

## Pyramids Facts for Kids (All You Need to Know!)

Known as the Step Pyramid, it began as a traditional mastaba but grew into something much more ambitious. The sunshine would have made this building appear radiant and glow brightly! A stick was placed at the top to represent the god's residence. To remove an Ace, you need to pair it with a Queen, which is worth 12.
