Highlander's Captive (Called by a Highlander, #1) by Mariah Stone

As much as I enjoyed the writing, some part of the plot were not to my liking. The lies, the hate, the almost nonexistent breakout of the heroine, or at least a bigger confusion? I loved that they were deeper than I suspected at the beginning. Whilst I still enjoyed the book, and never doubted I'd finish it, I was not drawn into the web of these characters the way I normally am by Kristin Hannah.

The Orphan Mother by Robert Hicks

It is in no way a bad book, it has some great ideas behind it, but it is just executed in a mediocre fashion. At its heart, this is a book about love, loss, and coming to terms with the truth. Highlander's Captive (Called by a Highlander, #1) by Mariah Stone

I liked, but didn't love this book. Hannah's earlier books in her own words are not as good or gripping as later ones. .
