### Make a Fluffy, Puffy Omelette by Folding in Whipped Egg Whites

Fried Egg: The fried egg is the top ordered type of egg preparation for breakfast. All omelettes have eggs that are blended and lightly cooked, but the method for doing so differs greatly across cuisines.

### French Omelette Recipe

All egg are normally referred to chicken eggs unless otherwise specified in the or preparation. The cheese and herbs were also overwhelming — it had too many strong flavors rolled into one tiny omelet.

### Omelette

Next chop your filling into bite-sized pieces and shred some cheese. It looked stunning and a bit difficult to make — but would it be worth the effort? The anatomy of a truly great omelet is broken down below, so even the most kitchen-averse can get out of a breakfast rut and serve up an omelet with flair.
