Discovery and Settlement of the New World

European intellectuals turned from the practice of logical investigation to observing and recording, measuring, and arranging. Rather, the difficulty was that no one knew exactly how far the distance across the Atlantic to China would be, or whether there were other islands in between. McMenamin later demonstrated that these coins found in America were modern forgeries.

The Discovery of the New World and the End of the Old

Major Finds by Portuguese Explorers The Portuguese explorers are credited with making the first discoveries of this period. With the maintenance chores complete, Columbus continued his voyage west.

Theory of Phoenician discovery of the Americas

Europeans were captivated by his descriptions of incredible wealth and golden pagodas. Therefore, the Europeans were forced to sail along the western coast of Africa, seek its southern end, and then sail onwards to the East.
