Only the keenest observer in the audience would be aware, however, of the changes which have been made.

**Edwin O. Sachs : Stagehand, Architect, Engineer & Fireman by ed.: David**

At the same time and maybe there are two Dave Wilmore's! The well of the auditorium originally pit and stalls is enclosed by the lowest box tier, above which there are three horseshoe tiers of balconies cantilevered forward from their supporting iron columns, plus an amphitheatre-gallery. Make sure to check used book condition from the seller's description. Other schemes are always in the melting pot and the practice is currently involved in well over a dozen projects which include restoration and conservation work at the Everyman Theatre Cheltenham 1890 , Georgian Theatre Richmond 1788 , Wakefield Opera House 1894 and City Varieties Leeds 1865.

**Edwin O. Sachs: Architect, Stagehand, Engineer & Fireman (1998 edition)**

Architect, engineer, stagehand, fireman, author. On taking up his current post in Harrogate in 1990 he also moved house and got married at the same time! Vice-President, International Fire Service Council. Its architectural importance cannot be overrated.

**Staff View: Edwin O. Sachs :**

He died in on 9 September 1919. The loss of the façade toward the Market, which was a witty iron paraphrase of the Inigo Jones façade originally surrounding the Covent Garden piazza, is much to be regretted, but it is difficult to see how it might have been incorporated into such a comprehensive redevelopment project.
