Medieval English urban history

The honour of Tutbury in the 14th and 15th

centuries. English medieval music was revived from the 1950s, with choral and musical groups attempting to authentically reproduce the original sounds.

11 Key Dates in the History of Medieval Britain

Since each fiefdom was governed more or less independently of each other by the feudal lords, the Anglo-Saxon system became less important. Joust Tournament or combat of two mounted knights, tilting using lances.

Medieval England

All Barons would be called Lord or something grander; not all Lords would be a Baron. Series Publications of the University of Manchester. Royal castles were used to control key towns and forests, whilst castles were used by the Norman lords to control their widespread estates; a feudal system called the castle-guard was sometimes used to provide garrisons.

History of Early Medieval Europe

The very lowest class were slaves, who could be bought and sold and who held only minimal rights.
