### Focused Research Team in Art as Vehicle

These artists showcased a staggering range of vocal qualities and colours and—even when not confining themselves to indigenous songs from their own heritage as in the case of Theatre Zar, Pieśń Kozła, and Kitka, for example—offered rare, first-hand insights into the functions and meanings of these expressive forms in their cultural context. Un'analisi originale della macchina mitopoietica di Hollywood che da sempre, mentre racconta una storia, e nel modo più avvincente, sa anche attivare delle operazioni simboliche profonde, capaci di interloquire con la parte più intima della collettività. Prima lezione, 24 marzo 1997.

### In Search of the Natural Voice

London and New York: Routledge, 2010. Defendendo uma teoria teatral que ele mesmo definiu em seus escritos como teatro pobre, o diretor polonês propôs maior participação do público, idéia aplicada em suas primeiras montagens.

### Stanislavski's system

The Center for Research on the History and Culture of Polish Jews. Certainly there is ample evidence of multiple networks of individuals from different cultural backgrounds and walks of life who come together around a commitment to something they call the natural voice or who are attracted to the kind of activity that is labelled as such by others. Richards became Director of the Research Program on Performing Arts at the Workcenter.

### In Search of the Natural Voice

Training an Actor: The Stanislavski System in Class. Suffering from shellshock, Wolfsohn was haunted for the remainder of his life by his experiences in the trenches. The National Childbirth Trust NCT was founded in 1956 as the Natural Childbirth Association.
