## Steps to Building an Effective Team

With TFVC, developers have only one version of each file on their dev machines.

## Virtual Team Building And Management

Each stage has recognizable feelings and behaviors.

## How to Manage a Remote Team

We record these so folks who can't attend are able to catch up.

## Building, Packaging, and Deploying RESTful Web Service Applications

Team collaboration software is on the rise. Once operations are up-and-running, the SMT will not be involved in online much at all.
