Iconography

As these are old books, we processed each page manually and make them readable but in some cases pages which are blur or missing or black spots. Par exemple, le tableau du repr  sentant en 1559, le tableau de repr  sentant vers 1622 ou encore la sculpture du repr  sentant en 1622-25.

Adolphe Napol  on Didron

In a grisaille oil sketch at Boughton House, Van Dyck subsequently fleshed out this composition, clarifying the sculpted head on which Van Balen rests his hand and situating him in front of a column. Add a hyphen - to underline variations in the icon.

iconographie

The drawing probably did not serve as the direct model for the printmaker, whose plate would have required the more detailed guidance of an oil sketch. We found this book important for the readers who want to know more about our old treasure so we brought it back to the shelves.
