After stitching floral fabric in the shape of two little sharklike fish onto her jean shorts, Hanley went over the outline with embroidery floss. All you need to do is sandwich your dies and your fabric between your cutting plates, and roll them through a die-cutting machine for precise shapes. .

## Thrilled to Pieces: A Survey of Patchwork on the Runways

Whether you go the ultra-relaxed route with a wide leg that pools around your ankles or take a sleeker approach via a billowing trouser or slouchy straight-leg, the key is offsetting the volume with a fitted or polished piece on top. While in self-isolation in her New York City apartment, Hanley has been getting back into her crafts roots. We cannot be responsible for damaged or lost goods.
