## 5 Core Reasons People Resist Facing Reality Instead Of Changing It

The primary objective of the conference is to create a coalition of African intellectuals who will brainstorm and hold principal discussions on practical actions, explore solutions and build consensual approaches on the major themes relevant to SDG implementation in tertiary education and research throughout Africa. With this, identify first your purpose before you start writing your business report. Any increase beyond this point, the Panel concluded, would significantly worsen the risks of drought, floods, extreme heat and poverty for hundreds of millions of people.
