### 16 Reasons Why the Elderly Struggle with Technology

It puts you in a more positive light. The publisher, editor, main writer, and one of the creators of this website. Trouble is, I am not sure what I did to find the site and may never be able to find it again.

### Prospecting and Recruiting for Network Marketing [Ultimate Guide]

Talking to machines, after all, is such a curious and amazing invention! Take your time and learn how to use it properly. We study what we like and we use skills we learned when our brains were younger and fresher. When done right, learning how to code can provide you with valuable skills that you will be able to draw on for the rest of your life.
