Progress toward fiscal harmonization, adoption of a common currency, and creation of a monetary union have been slower. While this spread English culture and by extension European culture as a whole across the world, it also came at the cost of human exploitation. In Warren Hastings's

period the British were drawn into expensive and indecisive wars on several fronts, which had a dire effect on the Company's finances and were strongly condemned at home.

Evaluating the Effects of British Regional Economic Policy

With land, with trade, with goods, and with literal human resources, the British Empire could grab more and more power. The Big Four have other things going for them too: their global footprint leaves most law firms eating dust.
