The Punishment of Oedipus the King

Think, with what eyes hereafter in the place Of shadows could I see my father's face, Or my poor mother's? This wedlock with thy mother fear not thou. I speak not where I cannot know.

Destiny, Fate, Free Will and Free Choice in Oedipus the King Essay, Oedipus the King

CREON Will you listen to me? So; Life hath dealt kindly with me, yet men know On earth no comfort like a mother's face. And Euripides in the matter of outward formalism went back to the Aeschylean type and even beyond it: prologue, chorus, messenger, visible god, all the traditional forms were left clear-cut and undisguised and all developed to full effectiveness on separate and specific lines.

Destiny, Fate, Free Will and Free Choice in Oedipus the King Essay, Oedipus the King

JOCASTA Were both at fault? Lady, who told you this? The more shouldst thou declare it to thy King. There was only one thing 140 he could inform us of with confidence about the things he saw.

Flaws In Oedipus The King

But it bleedeth, it bleedeth sore, In a land half slain, If we join to the griefs of yore Griefs of you twain. For many a year Oedipus fled before that man, in fear To slay him.

A Summary and Analysis of Sophocles' Oedipus the King

For faint is the oracle, And they thrust it aside, away; And no more visible Apollo to save or slay; And the things of God, they fail As mist on the wind away.
