Muntu: An Outline of Neo-African Culture.

A Critique of Traditional Igbo and Yoruba Moral Perspectives on Evil

The world seems to be turning as usual. How do we study and apply the Bible and the Gospel of Christ to all the various practices, attitudes, rituals, rites and ceremonies that traditional Africa has fundamentally developed from this belief? Cultural Universals and Particulars: An African Perspective.

International Journal of English and Literature

Note: African Philosophy was first published in French in 1976 by François Maspero, Paris. In order to do this, every behaviour pattern is conceived of in terms of kinship relations. There is the need, for example, to bring to consideration for better appreciation the writings of several generations of especially thoughtful and insightful Black essayists and novelists, poets and musicians, artists and dancers, preachers and theologians, and other public-speaking Black intellectuals who, through their means of expression, have philosophized about the conditions and prospects of Black folks and, in many cases, have helped to sustain the will and determination to endure the assaults on the humanity, on the being, of persons and peoples African and of African descent.

Traditional African religions

The traditional African religions or traditional beliefs and practices of African people are a set of highly diverse beliefs that includes various. A few of its members include Theophilus Okere, Okonda Okolo, Tsenay Serequeberhan, Godwin Sogolo and partly J. C omparative Studies in Society and History, Vol.
