Sculpture courses Kent

Unfortunately, we don't seem to have any description of him on record! Tips and tricks To make it as a sculptor you are going to need a certain amount of natural talent and the willingness to work hard.

The Kent Artists Group

Established Art Dealer and Bespoke Picture Framer based in Uckfield selling affordable art from the collectible artists to the up and coming including Caroline Shotton, Paul Kenton, DMac, Craig. Her work is characterized by elongated, slender figures with androgynous features which at times resemble fashion illustration.

Sculpture

Often described as an 'intellectual expressionist', Marlene Dumas blurs the boundaries between painting and drawing. Rachel is a very nice, reliable and a great model'.

South East Open Studios

Phil Fine Art Art Practice: Drawing, sculpture, painting, digital prints, installation Studio: Artsmill, Linden Mill, Hebden Bridge Teaching: Offender Learning, Further Education, Community Work Photography Megan Ringrose is an Australian-born, Oxford-based artist. His movement and performance practice gives him a sound understanding of what people like to draw. A very popular metal for both ancient and modern sculpture is Bronze, because as an alloy of mostly copper mixed with other metals usually tin, it is harder than copper on its own.
