**Imagined lives : a study of David Malouf**

It has been quite some time since I read of Hercules, Pygmalion, Thisbe, and a host of others. In 1979 Malouf was awarded the New South Wales Premier's prize for fiction for his second novel, An Imaginary Life, a fictionalized account of the ancient Roman poet Ovid's mature life. ### **Imagined Lives : A Study of David Malouf**

We know that Ovid was exiled and we know to where, but about what happened during that exile, we know nothing, not even the date or exact place of Ovid's death. Many critics believe Malouf writes as comfortably about cosmopolitan Europe as he does about his childhood home, and the author's favored themes and literary devices also traverse his poetry and prose.
