### **Abu Dabbab**

We saw Dolphins and we had a nice time on the boat, while eating they come and laugh with the divers. February is the coldest month. The latest discovery took place in 2015, when Saudi and German archaeologists found an ancient Roman ship and another vessel dating back to the early Islamic period.

### **Best Red Sea Dive Sites**

There is a challenge for everyone.

### **Red Sea Scuba Diving**

It is a colorful dive dotted by patches of coral heads that are inhabited by a lot of smaller marine life.

### **SS Thistlegorm Wreck Dive Site**

Marine life spotted there are turtles, eagle rays, Spanish dancers, octopi, and stingrays. September to November is the time to see manta rays in Sudan, and thresher sharks in both Sudan and Egypt. Elphinstone is popular both for liveaboard divers, but also as a daytrip destination, given its proximity to Marsa Alam.

### **Red Sea**

It is known as one of the prettiest dive sites in Aqaba. If you are on a boat you can travel overnight waking up in a different dive site each day.

### **Liveaboard Diving Guide to the Red Sea • The Adventure Junkies**

Each species is illustrated with a full-colour photograph and the text gives details of range and characteristic behaviour.

### **Red Sea Scuba Diving**

It offers good conditions to learn scuba diving as well as great wreck diving with 4 beautiful wrecks to explore in. The diving will be in small guided groups of 6 divers per guide.

### **Red Sea Scuba Diving**

She was used during WW2 to transport various war supplies and armed with a Gun. For a fantastic liveaboard destination further afield, check out our guide to.
