Those of the English that came to visit our camp, did gaze with much admiration upon those couple fellows with their plaids, targes, and dorlachs or skenes. Scarcely had he made the promise to these able and honourable men, when he broke it! Not that this fearful mode of atonement is to be defended for a moment when refused on moral or religious grounds : but where the challenged professes neither, he must be differently judged.

This want was not so easy to supply : never was there a meaner monarchy in Europe 2 and the monarch material, so to speak, was equally unpromising. Fold-outs, if any, are not part of the book.

Memoirs Of Prince Rupert, and The Cavaliers by Warburton, Eliot

This is NOT a retyped or an ocr'd reprint. If the original book was published in multiple volumes then this reprint is of only one volume, not the whole set. Accordingly, he took his journey, and passed dis- guised through France to Lyons, where he was discovered and 106 MEMOIRS

AND CORRESPONDENCE OF The Prince of Orange, too, welcomed his old favourite warmly, and entered into his views with respect to England zealously and kindly.

NO changes have been made to the original text. Our mercy moved us to write our laws in milk and equity ; how are ye blinded to ask them in blood? Never- theless, there was temptation in this offer of a kingdom that wiser men than Frederic might have yielded to : it was the age of enterprise and daring ; the popular energies awakened by the Reformation rendered all things possible to those who could control and lead them; a brave and intelligent people had appealed to his highest feelings to champion their faith and freedom ; a great cause creates magnanimity, however tem- porary, in him to whom it is entrusted : he felt all this, and more perhaps than all this, he felt the influence of a young and beautiful wife, whose loftier mind confirmed his own faltering ambition.
