## The Volcano Lover by Susan Sontag

This odd, brilliant novel would have been a 5 star experience for me, except for its very last sequence. I didn't get past page 200 and Molly's soliloquy on first attempt either despite good guides. Yet they have so many of the same tastes, the same disappointments.

## Under the Volcano: A Novel by Malcolm Lowry, Paperback

The book opens when he is a child with his tutor, just before World War I, and covers the period through the rise of Hitler, and ends just as the Second World War is beginning. Quauhnahuac possesses eighteen churches and fifty-seven cantinas. The very title, Under the Volcano, is both foreboding and indicative of the darkness that is to pass.

## Confessions of A Volcano: A Novel by Eric Gamalinda

On the most fateful day of the consul's life

—the Day of the Dead—his wife, Yvonne, arrives in Quauhnahuac, inspired by a vision of life together away from Mexico and the circumstances that have driven their relationship to the brink of collapse.

**Volcano : a novel (Book, 1980)**  
[tools.github.ffxiv.cn]

The main one, that it happens in Germany, between the two wars, and ends when Hitler takes power.

**Under the Volcano**

The murdered man was their colleague, and the Consultancy has ordered them to exact revenge on the genially murderous Piotr Nemerov and the playboy-turned-arms-dealer Anton Rauth, who is holed up in his HQ in an extinct South Seas volcano preparing for a literally earthshaking confrontation. He witnesses the exploitation of these workers.

**Where are the good volcano novels?**

After returning to England, he falls in with the political left and supports the Republicans in the.
