sexual ethics

Deftly drawing on Scripture, natural law, historical and contemporary Catholic and Protestant theology, the social sciences, and, significantly, the lived experiences of today's women and men, Gudorf presents a carefully crafted and systematic reconstruction of Christian sexual ethics.

Sex Without Love: A Philosophical Exploration. Once we revise the natural law perspective to take into account the female clitoris we must revise our conclusions about the permissibility of a range of non-reproductive sex acts. As Gudorf argues in Body, Sex, and Pleasure: Reconstructing Sexual Ethics, this line of argument is based on an analysis of the sex organs that excludes the female organs focusing exclusively on male organs.
