## The Suicide Boom in Japan

Although the amount of arable land stayed relatively constant in the 1700s, output continued to rise, thanks to better farming techniques. My copy is 200 pages, but the text is not crammed onto the pages. Along with your oral presentation, you should email a list of provocative discussion questions to the class at least 24 hours before your presentation.

### An ill

The first act establishes the personalities of three distinct characters who are on stage for the entire play.

## The Suicide Boom in Japan

One exception to this rule is that a grade that is very close to the next grade level, such as an 89.

### Shinjū by Laura Joh Rowland

Playwrights experimented with the introduction of new to kabuki, and introduced twists on traditional stories. In this situation, murdering one's children can be unconsciously regarded as murdering a part of oneself.
