23 ideas de Le Bal (Diaghilev, 1929)

O seu corpo foi enterrado na sección ortodoxa do cemiterio da , na. Maar Diaghilev wist gevierde westerse als , , , en Di te interesseren in het maken van theaterontwerpen. Tutti capirono che Diaghilev rappresentava nei suoi balletti qualcosa di innovativo, in contrasto con i balletti ufficiali di Mosca.

Sergej Pavlovič Diaghilev

Experts are available to customers of the Hôtel des Ventes de Monte Carlo prior to each sale to answer any questions concerning such matters. However if they are accompanied by a certificate or an invoice, dated prior to October 2007, they may enter the American territory. Together they developed a more complicated form of ballet with show-elements intended to appeal to the general public, rather than solely the aristocracy.

Sergei Diaghilev

As concerns the condition of the lots offered, note that the lack of reference to the condition in the description given in the catalogue does not imply that the item is free from defects, and certain restorations that do not change its nature and period cannot be a cause of dispute.

Sergei Diaghilev

Animal materials Coral, ivory, tortoiseshell and all materials from endangered species can be sold in a public auction as long as they are an integral part of antique jewellery. The company was also a major platform for the choreographers Michel Fokine, Vaslav Nijinsky, Léonide Massine, Bronislava Nijinska, and George Balanchine, innovative artists whose careers Diaghilev significantly advanced and developed.
