## Atlas of World History by Rand McNally & Company

The relatively small format of the Atlas does not allow very detailed maps.

## Rand McNally World Atlas Imperial Edition by Rand McNally

This was the historical atlas sold in the Maine Township High School South bookstore as an adjunct to courses. You'll receive 30 student atlases and one teacher's guide. Get all of our new Atlas of World Geography products in one classroom package with our best buy value.

## Atlas of World History by Rand McNally & Company

The Thirty Years War is given a map, but not the Hundred Years War. You'll receive 30 student atlases and one teacher's guide.

Having said that, the comparatively small size of this book is one of many attributes that add up to make it one of the most useful atlases of which I am aware. In defense of the editors, large amounts of accurate contemporary information was simply not available regarding colonial possessions or recently independent nations at that time; given what they had to work with they did a reasonably good job. The topics that are covered are interesting and valuable, but so much more is missing.

## Atlas of World Geography

The Historical Atlas of the World presents important periods and turning points in 5,000 years of world history through 48 pages of thematic maps. Get all of our Historical Atlas of the World products in one classroom package with our best buy value.

Possible writing in margins, possible underlining and highlighting of text, but no missing pages or anything that would compromise the legibility or understanding of the text. Before that you find a map of Europe from 7th century BC: nothing in between except for classical Greece from 450 BC. The second category has more to do specifically with the quality of cartography.
