How a New Baby Can Affect the Parents' Relationship

It may be that some of the outsider trends have penetrated the Amish walls over the years. Because of the high risk for suicide or infanticide, hospitalization is usually required to keep the mother and the baby safe.

Why Men Cheat After Childbirth

Simple lifestyle changes can go a long way towards helping you feel like yourself again. He, too, must adjust to new responsibility.

What it Means to be Married with Kids

After childbirth, women experience a big drop in estrogen and progesterone hormone levels.

Baby Sense by Megan Faure, Ann Richardson, Paperback

While you and your partner navigate a new course together as parents, mutual support, patience, and kindness towards each other will be the best ways to insure a stronger relationship, and a healthy and happy home for your new baby.

What it Means to be Married with Kids

Excerpt from New Baby Stress by David and Claudia Arp. The chance of twins is increased as a woman grows older, which may contribute to this phenomenon among the Amish. Thus, whilst you feel compelled from societal pressure to love every moment of parenthood unless you want to suffer monumental guilt , there is a very likely risk that at some point you might not.

How a New Baby Can Affect the Parents' Relationship

Stretching exercises such as those found in yoga have shown to be especially effective.

How a New Baby Can Affect the Parents' Relationship

Baby Sense has been translated into several languages and has twice won a prestigious international award UK Practical Pre-school Awards Gold in 2008 and 2009. I know, people really love putting things on their calendar but the baby almost never comes when it is supposed to, so save your ink.

Postpartum Depression and the Baby Blues

Plan for these feelings in advance. Conduct your own independent investigation of this website's information and your choice of healthcare provider.
