Transitional Assistance

The rapid response team tries to be as flexible as possible when it comes to determining the best format and the number of sessions needed to accommodate the affected workforce, including making arrangements for multiple shifts. While not all job loss due to foreign competition meets the requirements of the , the Rapid Response team will work with your company to provide information on Trade Adjustment Assistance TAA and the benefits you can receive if your company is certified as trade-affected. A state and local rapid response coordinator will attend this meeting along with appropriate employer representatives and, if applicable, union or other employee representatives.

Rapid Response Program

Ideally, any informational sessions will be offered on-site at your company and on paid time to encourage employees' attendance. Rights and Responsibilities under Employment Laws and Regulations help you understand your rights and responsibilities under the employment laws and regulations, such as the WARN Act, administered by the U.

For Employers

It is designed to bring together many separate partners to seamlessly provide an array of services, from resume preparation to job search to placement to supportive services, to anyone who wishes to have access to these services.

Preventing & Managing Layoffs

Rapid Response Resources PDF Worker Adjustment and Retraining Notification WARN The purpose of the WARN Act is to provide notice to workers so alternative employment or necessary training can be obtained on a timely basis.

Rapid Response Process

Core topics typically covered at these sessions include: the Dislocated Worker Program, Unemployment Insurance, and health insurance considerations and options.

Rapid Response Process

Ask your Rapid Response team for information on Avoiding Layoffs Your state may offer incumbent worker training programs to help upgrade your workers' skills, employer loan programs to fund capital improvements, and many other services that may help prevent or minimize layoffs or even help your company grow.

Rapid Response Program

Rapid Response can provide customized services on-site at an affected company, accommodate any work schedules, and assist companies and workers through the painful transitions associated with job loss.
